WESTERN UNIVERSITY.

Quindaro, Kansas.

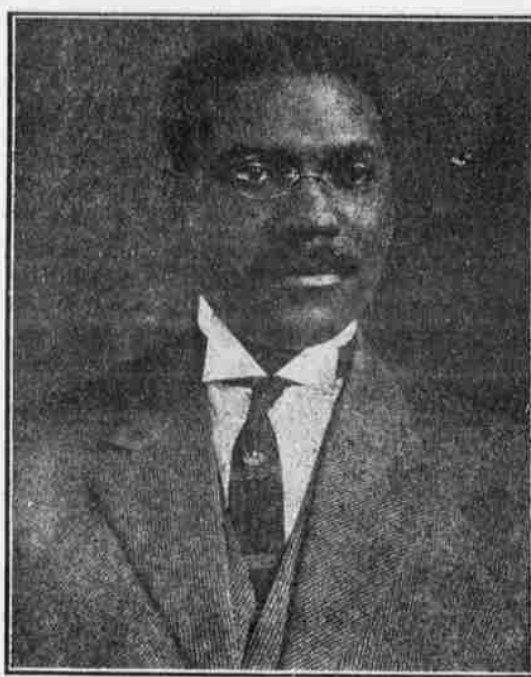

W. C. Greene, Reporter.

The week was well spent and every one was glad that Sunday was near. Three of the Academic Classes have organized and each predicts a prosperous year, under the leadership of their various officers. Mr. Frank Brown, of Olathe, was elected President. Mr. Ora Williams, Boley, Okla., Vice and Albert Roberts of Ofert Bend, Kans., Sec. of the Senior Class. Of the Junior Class, Pres. Carl Calhoun, of Grand Rapids, Mich., Vice, E. A. Horsey and Sec., Chas. B. Mitchell of Boley, Okla. Of the Freshman, George Richardson, Pres., Thelma Denmore, Vice and Edgar Gordon, Sec. Miss Benlah Strickland, a member of last year's Normal class, has, after completing a course in R. W. Hunter's Banking System of Chicago, accepted a position as teller in the Gary State Bank, at Gary, Ind. This bank is owned and solely operated by our people. A very good showing was made by the Orchestra and chorus at Allen Chapel Friday evening, where they assisted with the program for Education, at the Conference, which was being held. C. P. Kimble, the University Barber is doing an excellent business. He is better prepared to take care of his business than last year. He carries a full line of barber supplies, toilet waters, etc. He has also installed an electric hair dryer and massage. Garfield Adams of Tuskegee Institute is now on the buglers staff of the cadet corps. He also is trap drummer in the orchestra. A great Mass Meeting was held Monday which marked the starting of a great athletic campaign. The student body being divided into sections relative to the states they

This record was made despite the absence of their excellent coach, Prof. Jacobs, who was called to the army as physical director and Y. M. C. A. worker. This year will be quite different with his return the same will again be on a firm basis and the chances are great for a successful season. W. U. lost several good men last year by graduation and other causes, Washington, Russell and Bryant graduated and left us but never the less, we have just as good if not better material in such men as Thomas Wilson, the diminutive Quarter Back who so well acquitted himself in the well remembered W. U. vs. L. H. S. last season. W. C. Greene of Gary, famous half back, whom L. H. S. will long remember for his long fierce line plunges. George Brenner the veteran full back, A. H. Bentley, the swift right end of former years. Earl Calhoun of Detroit, Mich., who starred in the game between Detroit and Grand Rapids High Schools, Russell Holmes, of Olathe, who has a record of note in all athletics and Capt. Robnett who was our Captain before he was called to the colors and France in 1918. He will greatly aid the tackles and back field with his weight and consistent playing. Added to these men with previous training they have had and the ability of Coach Jacobs to round them up, one of the best teams in the Missouri Valley is on its way. The coaching staff with Director Jackson, Kennedy, Gregg and Coach Jacobs to push things to the front, we may expect to see a well rounded machine for the 1919 Gridiron Championship.

WAR CAMP COMMUNITY SERVICE NOTES.

The meeting of the Poro Club at center last Monday afternoon, was

represent. Prof. W. B. Kennedy leading Oklahoma, Prof. Jacobs, Kansas; Prof. Jackson, Nebraska; Miss Kelly, Missouri and Pres. Peck leading all pupils from other states. Much enthusiasm and competition has already started and all are wondering what state will be victorious. Vesper Service was enjoyed to the utmost by every one. As usual a very large number were present from Greater Kansas City. The speaker for the evening was Atty H. S. Roberts, who used as his subject "Education," dwelling mainly upon present day and every day comparisons. Atty. Dorsey Green and Mr. McClelland also dropped many inspiring and stimulating remarks. As is usual this service is of great interest, occurring every Sunday from 4 P. M. to 5 P. M. All are welcome. Upon looking over the prospects for foot ball this season at W. U. we find that W. U. out of its great number of young men has the material for one of the best, if not the best she has ever put upon the gridiron. Last year the light speedy team won two games, lost one and tied one.

largely attended. Many expressed themselves as being well pleased with the work of the center, and volunteered to assist in making our ex-service men feel that their service to the country is appreciated.

Monday evening the Social Mix by the Pioneer Community Club, was much appreciated by the boys, amusements consisted of games, singing and dancing.

Wednesday noon a very interesting talk was delivered to the boys, by Mr. Forest Smith; all took part in the community sing. Mr. James Anderson has kindly consented to address the boys next Wednesday.

Many of the ex-service men from the center attended the demobilization service given under the auspices of the Senior B. Y. P. U. of Second Baptist Church, Friday evening October 11th.

A large number of the members of the Wayne Miner Post of American Legion met at headquarters Monday evening, October 13, and heard the report of their Post Commander, Homer Roberts, delegate to the State

NATIONAL RACE CONGRESS.

Washington, D. C., Oct. 11—The National Race Congress, which has been in session here during the week closed last night, going on record advocating the unrestricted ballot in the hands of every American citizen, the protection of all under the law, and wiping out of Jim Crowism. There were present representative men and women from 21 states, and much interest was manifested by them. All sessions were held in the Metropolitan Baptist Church of which the Rev. Dr. M. W. D. Norman, is pastor.

The feature of the session was the Annual address by Dr. W. H. Jernagin, of Washington, who touched every phase of the work done and to be brought before the people. He outlined a program for the future which would accomplish great good for the race if carried out. His recommendations were adopted, hence permanent headquarters will be established, and sections for racial development will be brought into life. In this there is to be a department of transportation, of commerce, of race adjustment, of franchise.

The following officers were elected: Dr. W. H. Jernagin, president; Bishop I. N. Ross, Vice-President; Rev. C. H. Steptean, secretary; Rev. J. H. Randolph, Assistant secretary; Prof. John H. Hawkins, Executive Secretary; Rev. W. H. Dean, Treasurer.
